

Bella Vista Computer Club General Meeting December 9, 2019

The regular monthly General Meeting of the Bella Vista Computer Club was held on Monday, December 9, 2019 at 7:00pm in the Community Room of the Highlands Crossing Center.

President Joel Ewing called the meeting to order at 7:00pm.

There was 1 first time attendee.

24 people were in attendance (including 7 officers and board members.)

President Joel Ewing told club member that there was a problem with the club emails that were going to yahoo and AOL email addresses this month. It is being worked on to try to resolve the problem.

The treasurer's report was presented by Ron Moffet. Due to an automatic draft that was set up to pay the monthly rent that goes into effect in December, the month of November shows no rent being paid.

Geri Hoerner announced that our membership stands at 139.

Officers were recognized as follows: Woody Ogden, Vice-President and director of the training center, Debbie Edmunds, secretary, Ray Moffet, treasurer. Board members present: Mary Wynne, Ray Chapman and Barbara Maybury. Grace Chang is the education chairman, and Geri Hoerner is the membership chairman.

Woody Ogden will be in Hawaii until early April but will be available for remote assist, using the program Anydesk, keeping in mind the time difference of 4 hours. If you do not have Anydesk, there is a program built into Windows 10 called Quick Assist. Using Quick Assist Woody can instruct you on how to give him remote access to your computer.

The meeting in November was canceled because of weather. The minutes of the October general meeting were accepted unanimously as submitted on the web site.

The general meeting minutes are posted on the web site each month.

Announcements:

A few article handouts from last month are still available on the table in the back.

Don Hood has been selecting and printing the handouts for the monthly general meeting. Don is retiring from active duty with the club.
