CREATING A WINDOWS 10 INSTALLATION DISC

A screenshot of a web browser showing a Google search for "windows 10 iso". The browser's address bar displays "google.com/?gws_rd=ssl#q=windows+10+iso". The search bar contains "windows 10 iso" and a search button. Below the search bar, navigation tabs for "Web", "News", "Videos", "Images", "Shopping", "More", and "Search tools" are visible. The search results indicate "About 106,000,000 results (0.21 seconds)". A red arrow points to the first result, "Windows 10 ISO - Microsoft", which includes the URL "https://www.microsoft.com/en-us/.../windows10IS...", the text "Microsoft Corporation", and a description: "Download Windows 10 Disc Image (ISO File). If you need to install or reinstall Windows 10, you can use the tools on this page to create your own installation ...". The second result is "Windows 10 - Microsoft", with the URL "https://www.microsoft.com/en-us/.../windows10", the text "Microsoft Corporation", and a description: "Download Windows 10. If you need to install or reinstall Windows 10, you can use the tools on this page to create your ... Optional conversion to ISO file format."

The image shows a Windows 10 Setup dialog box overlaid on a web browser window. The dialog box is titled "Windows 10 Setup" and has a dark blue background with white text. It asks "What do you want to do?" and offers two options: "Upgrade this PC now" (selected with a radio button) and "Create installation media for another PC" (unselected with a radio button). At the bottom of the dialog box are "Back" and "Next" buttons. The background browser window shows a page with the heading "Installing Windows 10 using" and a list of bullet points: "File formats optimized for", "Built in media creation op", and "Optional conversion to IS". There are also buttons for "Download Tool Now (32-bit)" and "Download Tool Now (64-bit)". The taskbar at the bottom shows the Start button, "Ask me anything" search bar, and several open applications: Snipping Tool, Windows 10 - Mic..., and Windows 10 Setup. The system tray on the right shows the time and date as 11:36 PM on 8/8/2015.

The screenshot shows the Windows 10 Setup application window. The title bar reads "Windows 10 Setup". The main content area has a dark blue background with white text. The heading is "Select language, architecture, and edition". Below this, a smaller line of text says "Please select from one of the available options to continue." There are three dropdown menus: "Language" set to "English (United States)", "Edition" with a list of options including "Windows 10 Home" (highlighted), "Windows 10 Home N", "Windows 10 Home Single Language", "Windows 10 Pro", and "Windows 10 Pro N", and "Architecture". A red arrow points to the "Windows 10 Home" option in the Edition dropdown. At the bottom right of the window are "Back" and "Next" buttons. The background shows a web browser window with a page about installing Windows 10, and the Windows taskbar at the bottom with the time 11:39 PM on 8/8/2015.
